The words of our Founding Fathers By Carolina Sailor This book, its contents in their entirety should be required reading for every US Congressman and Senator EVERY WEEK. If we had people in Washington who understood what our Founding Fathers intended and lived by those precepts, then our country could move forward. 1 of 1 people found the following review helpful. Washington's amazing thoughts about our government and our future By tampamotorman Inspirational documents. Scathing, treasonous criticism of King George. The Declaration that was read around the world and inspired revolution around the world. Washington's amazing thoughts about our government and our future. Our Constitution, the template of most constitutions written since then. A tour de force of world changing ideas that every American should read. 1 of 1 people found the following review helpful. What more can I say! By Jon Howard Wonderful "thoughts" and considered writings by many of America's brightest minds! It is always interesting to me, however, that John Adams viewed Paine as one who would "tear down" something (British rule in America) but seemed unable to offer any ideas regarding replacement of British rule. Adams, on the other hand, offered a detailed explanation of a mode of governance for a "republic of virtue."*

*\*This book starts with an essay to set the historical stage for the American Revolution. \*Each document is prefaced with an introduction to frame it within the historical context of the time. The American Revolution stands as a major turning point in world history. Most prominently, it resulted in the creation of the United States of America, a nation that has played a dominant role in world affairs for the past century. Equally as important it established a nation based on the republican model*
